Team JLMI Spotlight

We've all seen her name attached to emails. We've all talked to her over the phone. But just who is Stacie Wilkes?

Stacie started with JLMI in April 2012 and is the Administrative Assistant at corporate headquarters in Prince George, VA.

"Every day is different for me and I'm always busy," Stacie said when asked what she likes most about working with JLMI. "The people aren't bad, either," she joked.

"My regular duties include answering the phone, processing the mail, scheduling appointments, ordering supplies, making travel arrangements, reviewing expense authorizations and reports, shipping packages, keeping the office neat and assisting others with anything they may need help with."

Originally from Ohio, Stacie grew up in San Angelo, TX then returned to Ohio at the age of 10. She married in Dec. 2009 and in the summer of 2011 moved to Ruther Glen, VA. She enjoys going to wine festivals, tours and tastings, relaxing on the beach and swimming. She also likes sightseeing, exploring new towns and shops, home improvement projects and riding ATVs. "I just like having fun," she said.

She considers her greatest accomplishment to be graduating from college and buying her first new car. Her lifetime goal is to buy the truck and 1969 Camaro she's always wanted.

Stacie Wilkes is the Administrative Assistant at JLMI's corporate headquarters in Prince George, VA.

On Behalf of our COO

As you know our government is tightening its belt with budget cuts across the board. Unfortunately, this means there's a possibility of experiencing cuts in government contracts and, in a worst case scenario, elimination/termination of contracts altogether. Thus far we have not been notified of any cuts or eliminations/terminations in our current contracts. It is our intent to keep you informed of the situation as we know it.

Despite current events, we continue to press forward seeking new opportunities and preparing winning proposals. To succeed in being awarded new work, it is vital that all JLMI team members continue doing outstanding work and receive good ratings from the government. Our good reputation and outstanding work ethics will keep JLMI in the competitive market for new efforts. It is a pleasure to be part of a cohesive, hard working team such as this one. You are the cause of our success. Thank you for your contributions and continue to give our customers the maximum bang for their buck.

A Message from our President

Greetings!

Hopefully by the time you read this newsletter Ol' Man Winter will be gone (finally) and spring will be in full bloom - at least here on the East Coast.

As this season has been unpredictable, so have the first few months of 2013 for Team JLMI. We have had many transitions, some losses and some gains, but in the true spirit of Team-person-ship we have had some pretty happy times as well.

Because of you, Team JLMI has been recognized several times this year for professionalism, excellence, influence, tenacity and, of course, grace. We are honored to accept and share those awards on your behalf.

To Karen Farren, thank you so much for your representation of Team JLMI that earned us the President's Choice for Special Recognition with the Hopewell/Prince George Chamber of Commerce.

To our teams at:

- VACO - The laudatory remarks on the support improvements you have initiated have been outstanding.
- LSS RIA - Super job. The turnaround in support has been noticed and noted by the customer.
- Fayetteville (Fort Bragg Hub) - We are told of your fantastic representation of JLMI at various functions.

We receive "Atta boys/Atta girls" on many of you often and although we don't always share just how proud we are of your dedication, you should not think for one minute we do not realize and understand you are Team JLMI. If you did not do what you do, the way you do it, there would be no JLMI. So on behalf of the Senior Management Staff, thank you all, each and every one of you, for being the professionals you are. You continue to make us proud.

CELEBRATE Life.

Thank you,
LaVern

All Hands

JLMI corporate held its first 2013 quarterly All Hands Meeting in February. For those of you who weren't able to attend, or for those who may need a refresher, here are some highlights from the meeting.

"We have a promising year ahead of us," JLMI president LaVern Jackson said as she opened the meeting. "We want you to know that JLMI is sound; we are financially good. Our future is bright and we look forward to what it brings."

JLMI has officially reached over 100 employees throughout our locations in nine areas, seven states, D.C. and Puerto Rico. "You are a great team and we appreciate everything you do," said Kim Hoge, Director of Resource Management.

Corporate Support Staff:

- Alicia Diggs, HR/Payroll
- Kimberly Farmer, HR Clerk
- Rachel Griggs, Finance
- Stacie Wilkes, Admin Assistant
- Chantel Brown, IT Tech
- Janet Castrinos, Security
- LaRae Steffan, Editing

Reminders:

- We have an open-door policy throughout the company. You can go to any manager here if you have questions, concerns or need answers/information. Please do not hesitate to call. We are here to help.
- Performance reviews are designed for the manager and employee to discuss his/her current job tasks, encourage/recognize attributes and discuss positive, purposeful approaches to meeting work-related goals. They are designed for the employee and his/her manager to make, and agree, on new goals, skills and areas of improvement. This doesn't necessarily mean there will be a pay or cost of living increase. It may be that your evaluation is being done in accordance with contract specifications; and not every contract has built-in escalations.
- Time should be entered daily at COB. Reminders will be sent in regards to an upcoming pay period/month ending date, which you should be signing your time-sheets.
- We are once again working with Managed Benefits to ensure JLMI is offering the best benefit options for you. Your 401K financial advisor will now be Cory Hoffer with Hermitage Wealth Management. If you need any advice on investing or have questions/concerns regarding 401K, you can reach him via phone at (804) 270-7877 or email at choffer@hermitagewealth.com.

"JLMI became operational on April 3, 2000. We are celebrating our 13-year anniversary because of you," LaVern said in closing. "You are valued assets and we appreciate your hard work, support and patience."

JLMI Family

Rachel Griggs, Resource Administrative Clerk at JLMI Corporate, and her husband experienced a few “firsts” as they attended their first Shriner’s Circus in Roanoke, VA in February. “We had a blast and this circus was a fundraiser for Kazim Shriners in Roanoke,” Rachel said.

Rachel’s husband participated in the circus as a hobo clown and was so excited, he forgot he wasn’t supposed to smile. “My husband got to dress as a hobo clown; they aren’t supposed to smile. It was his first time as a clown and his first time performing in a circus,” she said. “This was my first time riding an elephant.”

Rachel Griggs, above front, enjoyed her first elephant ride as she and her husband attended the Kazim Shriners Circus in February.

The principal purpose of the Shrine is to provide world class treatment and follow-up care to children from birth to age 18 who suffer from neuromuscular and bone disorders, spinal cord injuries, burn injuries and cleft lip and palate issues. This care is provided, regardless of the patient or families ability to pay, in their 22 state-of-the-art hospitals located throughout North America, Canada and Mexico. If you know a child you think could benefit from their services, please visit <http://www.shrinershospitalsforchildren.org/>.
