IN THE SPOTLIGHT

Family & Friends Day 2016

Pictured above, JLMI family and friends gather together after a fun bus ride to Busch Gardens, Williamsburg, Virginia. The company event took place on July 31, 2016 with a great turnout. Those that opted to ride the bus instead of driving enjoyed the opportunity to play games, read, relax and nap! The day was filled with fun rides, shows, shopping, and great dining. There was something for all ages and the unanimous consensus was a fantastic day was had by all!

A Message from Our President

It is with great pleasure that we sponsor the JLMF Family & Friends Day 2016. This is a day to interact with your JLMF family and solidify our team spirit, while enjoying some summer fun with your family and ours. We hope everyone enjoyed the JLMF sponsored event at Busch Gardens Williamsburg, Virginia.

On Behalf of our COO

Summer is over and fall is upon us. The trees are starting to turn and time will be changing soon. I hope everybody had a great summer and is looking forward to the winter months. Unfortunately, this is the time of year that federal government contracts slow down a bit for several reasons, one of which is organizations within the federal government have received their funding allocations for the year. Normally, the first quarter of the new fiscal year is dedicated to prioritizing contract needs based on funding received. My experience has been that minimal contracts are awarded during the first quarter. Secondly, this year has a tremendous impact on awarding federal government contracts due to the presidential election. Until the new administration has an opportunity to put in place their guidance for the way forward, we have to be ready for some change. There is no question in my mind that we are ready for any change that may come our way.

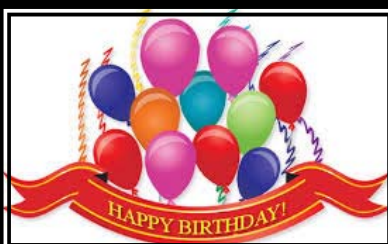

Fiscal year 2016 was a blessed year for JLMF. We were able to maintain our contracts from the previous years and were awarded new contracts. In this austere time, 90% of the Request for Proposal (RFP) from the government are LPTA

(Low Price Technically Acceptable). In order to be competitive, we had to change many processes and procedures to get our price where it had to be to win. Although our contract price will be reduced on new contracts, we have been able to maintain our current benefits with no reduction over a ten year period. We could not have accomplished that task without the support of JLMF employees doing their job in support of our customers.

I would like to take this opportunity to thank Team JLMF for all they do for our Army and customers.

Jesse Mason

HR Update

Introducing.....

Melody Blissett
our newest Deployment Team
Member-Unit Supply
in Fayetteville, NC.

FALL SAFETY TIPS

The change of seasons not only bring the beautiful colors of Fall, but more indoor activities and that means keeping warm. Remember to change your batteries in your smoke/carbon monoxide detectors throughout your home. It's also a good idea to service your furnace at the beginning of the season to avoid unwanted surprises. While candles can create a cozy, inviting atmosphere in your home, remember they should never be left unattended. The same applies to fireplaces and space heaters.

Speaking of the fall colors, trees will be dropping leaves at a rapidly increasing rate as temperatures continue to drop. Leaves mixed with wet weather can create a potential fall hazard, so be sure to keep your porch and sidewalks clear. Outdoor yard maintenance is key not only to the curb appeal of your home, but to your safety as well. Leaves can be particularly hazardous when trying to clean out your gutters. Not only can they cause issues with overflowing gutters, but using a ladder can become a danger in itself. Remember to keep the ladder on level ground and don't lean or stretch to reach anything while on the ladder. Always reposition the ladder to safely access your target area.

Enjoy this beautiful time of the year with peace of mind!

Around the Office

Spearheaded by Financial Manager Steve Guthrow and HR Generalist LaToshia Weatherspoon, the corporate team has sponsored a number of great walks on weekends throughout the area. September events included trails along the Appomattox River and a 10-miler through the Petersburg National Battlefield Park. Next up in October is a beautiful and challenging 10-mile hike around Richmond and the James River. The team will continue as deep as possible into the fall and pick up after the winter snows melt leading into the Monument Avenue 10K in Richmond in late March. All employees are welcome at the walks and branch employees can plan to attend the 10K with entry fees paid by JLMI.

Pictured to the left are Steve Guthrow and LaToshia Weatherspoon along the Petersburg National Battlefield Park trail.

The Corporate Office held a Fall Potluck Luncheon on September 20th.

JLMI Supports

Prince George County 5th Annual Back to School Fair 2016

The Prince George County Department of Social Services sponsored the 5th Annual Back to School Fair at Scott Park on August 25, 2016. JLMI proudly supported this event which provided assistance to county families by offering school supplies and informational materials from area businesses, churches, health and service organizations. It is a family event with games for the kids and fun for everyone.

Mark your calendars for Saturday, November 19, 2016

JLMI will support the Hopewell Kiwanis Wine-Tasting Festival being held at the Beacon Theatre. This local event raises funds to benefit the community's youth activities and resources. Participating vineyards this year are Byrd Cellars Vineyard & Winery, Cooper Vineyards, Elk Island Winery, James River Cellars, Mattaponi Winery, and Weston Farm Vineyard & Winery.

Friends and Family

These beautiful ladies are ready for their first day of dance and show their enthusiasm. Pictured to the left are Laila Atkins on the left (daughter of Travel Admin, Shonnel Atkins) and Emma Atkins on the right (daughter of Accounts Payable Clerk, Brittany Atkins).

Pictured above, Rose Hinds, Fayetteville Fielding Hub Manager/Operations Manager, participates in a dinner theater play with her church, Northwood Temple. Rose plays the part of Prophetess Velveeta De' Montel. In this role, the Prophetess is visiting her cousin, Edna Mae, in the town of Smith Corners to help the people get moving for a revival by putting prune juice in the communion cup instead of grape juice.
